PEEKING INTO GRADE 3

The Science fair was such a huge success! I am so proud of all the hard work the 3rd graders put into all of their projects. Our Solar System planets are beautiful and will be raffled off mid-May. Their 3-D models are unique, colorful, and made the room look amazing. Thank you to all of my parents for helping your child fulfill their vision for their model. After vacation, we will begin our study of motion, energy, and electricity in Science.

In Social Studies, we continue to discuss immigrants and their many contributions to our country. We will be celebrating our annual Cultural Snack Party in May. This is a wonderful time for the students to share a special food or drink that is part of their family's culture. More information about this special celebration will follow after vacation.

In Math we are learning about multiplication. To begin with, we are learning what multiplication IS (equal groups), how to make arrays that model our math equations, and how to solve larger problems by making smaller problems. It is not easy to learn but the students are practicing hard and becoming better and better each day.

I am so proud of their effort each day. Each one of them is a special child of God living as his faithful follower. I am fortunate to spend my days with your children and watch them grow.

Mrs. Bonenfant :)

100 YEARS OF FATIMA

The Lay Cenacle of the Marian Movement of Priests invites all interested to join its members in prayer and celebration of a Mass for the feast of "Our Lady of the Cenacle."

Cenacle comes from the Latin "Cenaculum"

meaning Upper Room where the Apostles and our Blessed Mother Mary gathered in prayer, awaiting the first Pentecost. Mary our mother invites us all to join in a Cenacle of Prayer for the outpouring of the Holy Spirit.

Our prayers: Invocation to the Holy Spirit; recitation of the Holy Rosary; prayer for Our Holy Father Pope Francis and our Priests; a meditation and consecration to the Immaculate Heart of Mary, followed by the celebration of the Holy Sacrifice of the Mass.
