Jesus the Teacher

He never taught a lesson in a classroom...He had no tools to work with, no blackboards, maps or charts...He used no subject outlines, kept no records, gave no grades, and His only text was ancient and well-worn...His students were the poor, the lame, the deaf, the blind, the outcast -and His method was the same for all who came to hear and learn...He opened eyes with faith...He opened ears with simple truth, and opened hearts with love, a love born of forgiveness...a gentle man, a humble man, He asked and won no honors, no gold awards of tribute to His expertise or wisdom...and yet this quiet Teacher from the hills of Galilee has fed the needs, fulfilled the hopes and changed the lives of many millions...for what He taught brought heaven to earth and God's heart to all.

BABY SAVED! The Thursday before Mother's Day, just as the last two sidewalk counselors were getting ready to leave at 4pm, they noticed a mother and her daughter leaving Planned Parenthood. Both were crying. Before they drove away, the car stopped and both windows were opened. The mother said, "She didn't do it!" and her teenage daughter said, "I couldn't go through with it." The counselors remembered how the daughter was looking at their new sign that reads, "You can change your mind. Talk to me," as she followed her mother into PP earlier. They were given information about the Pennacook Pregnancy Center and available resources.
Thanks be to God for this change of heart

FREE ST. FRANCIS OF ASSISI VIDEO

Since these companies are both dedicated to sharing the Catholic faith online, their first of many initiatives is a one hour presentation of St. Francis of Assisi. This video, produced by Bishop Robert Barron, can be found on our website: stanthonyofpaduanh.org. On the opening page, scroll down to "St. Francis Volume 1 of the Pivotal Players". Click on the arrow located on the bottom left hand to start the video. Enjoy!

GIVING HANDS MINISTRY
As many of you have seen in the bulletin in the past we have the "Giving Hands Ministry" here at St. Anthony's. What we do is knit, and crochet for charity. We started with a wide range of charities but have narrowed it down to two which appear to have the most need and are very thankful for what our ministry does. We make winter hats, mittens, scarfs and socks for the "Liberty House" here in the city, which supports our veterans and we also make baby sweater, and baby afghans for "Our Place" which supports mothers and their babies who are in need.

We meet on the first Monday of the month from 7 to 8:30pm in Tetu Hall. And have quite a group of people ranging in age from 16 to people, shall we say, much older than that (smile), both men and women. So if you would like to join us some first Monday, please do, all are welcome and we have prayer, tea and snacks, and good conversation. You don't need to know how to knit or crochet, there are many who would LOVE to show you how, and we have bins of yarn to start with. I know that sometimes nights are hard for people to get out too, so if you ever wanted to help and just make something you can do that and drop it off at the rectory or in the back of the church in the basket there. This could even be knitted or crocheted squares that use up your scraps and others can sew together to make into an afghan.

Also we have been asked if rather than knit or crochet afghans for the babies, people could make baby quilts for them and we say "OF COURSE" doing and giving of oneself to others in need come in many forms. If you have any questions you can email colin.upham@gmail.com or you can call or
