A TIME TO CLEANSE OUR HEARTS

*"Give up your faults and direct
your hands rightly, and cleanse
your heart from all sin."*

Sirach 38:10

In this time of Lent we are preparing for the celebration of Easter, when we will renew the promises of our baptism. Let us walk in the world as Jesus did, and let us make our whole existence a sign of our love for others, especially the weakest and poorest. Let us build for God a temple of our lives and make it approachable for those who we find along our journey. If we are witnesses of the living Christ, so many people will encounter Jesus in us, in our witness. But does the Lord feel at home in my life? Do we allow him to "cleanse" our hearts and to drive out the idols, those attitudes of cupidity, jealousy, worldliness, envy, hatred, those habits of gossiping and tearing down others. Do I allow him to cleanse all the behaviors that are against God, against our neighbor, and against ourselves? Jesus cleanses with tenderness, mercy, love. Mercy is his way of cleansing. Let us, each of us, let us allow the Lord to enter with his mercy to cleanse our hearts.

*What most hinders God from coming to dwell
in the temple of my heart?*

School News 2018

Peeking into Grade 6...

The sixth grade class has started their next Social Studies unit on Ancient Greece. The students are studying different forms of Greek literature; epic poems, Aesop fables, comedy and tragedy plays, and mythology of the 12 famous Greek gods. In the days of Ancient Greece, reciting poetry and telling stories was considered world-class entertainment. We are going to bring that world-class entertainment into our classroom with students researching the life of a Greek god, writing their own rhapsody and "rapping it." We will end our unit celebrating Greek Independence Day on March 25 with samplings of Greek food and music.

The class has been working hard on their Science Fair research projects. The students have chosen their experiments and will be testing their experiments in 3 trials during the months of February and March.

In Math, the 6th Graders are well under way learning the many concepts of Pre-Algebra. They have studied positive and negative integers, graphing coordinates and "Order of Operations." They are now working on solving inequalities and interpreting algebraic equations. The students are definitely feeling challenged in math, and keep telling me they're "loving it"!

STATIONS OF THE CROSS AT PLANNED PARENTHOOD MANCHESTER

Through His Holy Passion, Our Lord united Himself with all the victims of suffering in this life. None suffer more innocently than children in the womb whose lives are taken by abortion.

On Friday, March 9th, join us in an outdoor procession around the block as we meditate on the Passion of our Lord and remember all the victims of abortion—the children lost, the mothers wounded, the communities blighted—in a solemn prayer service led by Fr. Christian Tutor.

WHEN: Friday, March 9th, 3:30PM

WHERE: Sidewalk in front of Planned Parenthood 24 Pennacook St. Manchester.
