SCHOOL YEAR NEWS 2014-2015

Peeking into...Grade 2!

We have had a great start to the year in second grade! We have been working on our big social studies projects on Community Workers. The students have been having fun singing the songs and working on their book report on what they want to be when they grow up. We will be performing our show on October 28, 2014 at 1PM. In religion we have started talking about the sacraments starting with Baptism. Some of the students brought in pictures from their own Baptisms! We are talking about the four signs at Baptism and how we all become People of God. In Language Arts, we are working on reading one story a week and also have been working on writing friendly letters to our "secret pen pals". These letters are full of compliments to our friends in class. For science we are studying the scientific method and the different tools that we use in science such as hand lenses and forceps. If you happen to see a second grader, ask them to sing the scientific method sing for you! In math we have been working really hard to memorize and get faster at our math facts up through 12. We are continuing to grow our collection of flash cards every week. We look forward to a great year!

Mrs. Chapdelaine & Miss Vilandre

Please bring in your BoxTops for Education by the end of October so we can submit them with the school BoxTops. Thank you for continuing to save them for us. At 10 cents for each BoxTop, the money we receive really helps!

We at St. Anthony Parish extend our hearts in a warm welcome to you, whether a long term resident or newly arrived in the Parish. We thank God that you are with us.
