## **MEDICAL MISSIONARIES OF MARY**

Next weekend we will have Sr. Nina Underwood telling us about their work in Africa and Latin America bringing God's healing love to our wounded world. This is done by providing health care as doctors, nurses, surgeons, midwives, administrators, social workers and more. The focus of their ministry is particularly to mothers and children and those on the margins of society. Working through community based health care projects and clinics to tertiary level teaching hospitals they bring health care to those who would not otherwise have access to it. Care and treatment is provided to all who come seeking it.

They cannot do this without your support and prayers. In return, you have a very special place in their prayers, and they assure you of the unspoken gratitude of those they are privileged to serve.

For more information: [www.mmmusa.org](http://www.mmmusa.org)

THERE WILL BE A SECOND COLLECTION FOR THEIR MISSION.

## **MONTHLY MASS**

## SCHOOL YEAR NEWS

2015

### **Peeking into: Grade 2**

The last few weeks of school are very busy for the second grade class. Many of the children received the Holy Eucharist for the first time during the month of May. The children celebrated this important event as a class on June 3<sup>rd</sup> at 8AM Mass. The children also presented "The Weather Show" on June 3<sup>rd</sup>, a musical presentation which coincided with their science chapter on weather. It has been a wonderful year for the students as they sang songs about Community Helpers and challenged the school to guess who they were as they presented their famous person reports. They worked in teams to create a Goldberg project using simple machines to capture the dinosaur. Our class was very fortunate to have Miss Vilandre as a student teacher during the fall season. Miss Vilandre continued with us during the rest of the school year, coming once a week to assist the class with projects. The children have progressed nicely through our curriculum and are ready to move on. Watch out, third grade...Here we come!
