Prayer for the Epiphany of Our Lord

Let us pray, (grateful for the glory revealed today through God made man.)

Father of light,
unchanging God,
today you reveal to men of faith
the resplendent fact of the Word made
flesh.

Your light is strong,
Your love is near;
draw us beyond the limits
which this world imposes,
to the life where Your spirit
makes all life complete.

We ask this through Christ our Lord.

Amen

St. Anthony of Padua 2017 School News

St. Anthony School Science Fair!

It's that time of the year when the fifth and sixth graders have been busy selecting their topics for their science fair projects. They need to develop experiments about their topic using the scientific method. Lots of interesting project ideas have been planned out over the past few weeks.

Throughout January they are setting up their science experiments. In February they will be completing their experiments, recording their results, creating graphs, and writing conclusions to their experiments.

In March, the students will work on a typed report, poster and notecards. In April, they will present their projects to the class.

We look forward to helping the students complete all parts of their projects in the upcoming weeks. We can't wait to see the final results of all their hard work in April at the Science Fair.

St. Anthony School New Student Registrations

At the end of the month, we will be hosting an open house for prospective new students and their families. If you know anyone, who is looking for a school for their child, grades Pre-K – grade 6, please recommend that they contact the school for more information.

We are always available to answer questions, give personal tours and enrollment at any time of the school year. Please contact us at 622-0414

Box Tops for Education

Please continue to clip, save and turn in your Box Tops. We will be submitting them throughout the year.
