St. Anthony of Padua 2017 School News

PEEKING INTO...FIRST GRADE

Happy New Year! The First Graders have worked very hard and certainly earned a long break at Christmas! Now that we're back, we will be focusing on reading R-controlled /a/ words, how to read a play and on when to use singular and plural nouns.

We will be practicing with work mats and counters in math to illustrate 2 digit numbers broken down into tens and ones.

When we study our faith, we will be discussing the Sacrament of Communion and why the Eucharist is so precious.

We will investigate what natural resources (such as air and water) are in our environment and how we rely on them. We will also investigate ways of protecting these natural resources by acting responsibly in caring for our planet. We will discuss pollution and how to reduce, reuse and recycle. Together we can make a difference!

BOX TOPS FOR EDUCATION

So far this school year, we have earned \$608.00! Please keep clipping and saving for us. It really does add up!

MULTI-MEDIA POVERTY PROJECT

Our projects are done and have been submitted! Good luck to our 5th and 6th graders. They've worked very hard on these projects and have learned a lot about poverty and how difficult life can be for those who are faced with it everyday. Hopefully, they've learned to thank God for the things that they have like food, shelter and clothing.

PRAYER FOR VOCATIONS

Lord of the Harvest,

Bless young people with the gift of courage to respond to your call. Open their hearts to great ideals, to great things.

Inspire all of your disciples to mutual love and giving for vocations blossom in the good soil of faithful people.

Instill those in religious life, parish ministries, and families with the confidence and grace to invite others to embrace the bold and noble path of life consecrated to you.

Unite us to Jesus through prayer and sacrament, so that we may cooperate with you in building your reign of mercy and truth, of justice and peace. Amen

Pope Francis
