A Prayer of St. Blaise

O glorious St. Blaise, who by thy martyrdom didst leave to the Church a precious witness to the faith, obtain for us the grace to preserve within ourselves this divine gift, and to defend, without human respect, both by word and example, the truth of that same faith, which is so wickedly attacked and slandered in these our times. Thou who didst miraculously restore a little child when it was at the point of death by reason of an affliction of the throat, grant us thy might protection in like misfortunes; and above all, obtain for us the grace of Christian mortification together with a faithful observance of the precepts of the Church, which may keep us from offending
Almighty God.

Amen

NOTE TO ADORERS:

St. Anthony of Padua 2017 School News

Peeking Into...Grade 2

The second graders are hard at work in the New Year! In Religion, the students have been studying the steps of Reconciliation so that they are prepared to make this sacrament in the up coming weeks. We have the Act of Contrition committed to memory and they have begun to examine their consciences.

In Math, we have been busy mastering regrouping with addition and subtraction. It is a difficult skill to learn, but I am very impressed with how quickly everyone has picked up on it!

Soon, the second graders will begin working on their four simple machines to build their Goldberg Projects for the Science Fair. In preparation for this project, the students have been learning about forces and motion. They have also been playing with some simple machines to see how they can help make different kinds of jobs easier. Second grade is very excited to begin working on this science fair project.

In Social Studies, we have been busy learning about Geography in the United States. Before Christmas Vacation, each student completed a report about one of the states and was able to share their findings with the class.

These students have been so much fun to work with this year! I am excited to see how they will continue to grow as the year progresses!
