St. Anthony of Padua 2017 School News

PEEKING INTO GRADE 4...

In grade four, we have been busy reviewing for our Chapter test on adaptations and how these adaptations help animals meet their basic needs to survive. Students were amazed at how a bat's heart rate slows from 400 beats per minute to 25 beats while in hibernation! It's just another way to truly be in awe of God's beautiful creatures.

We will start our weather chapter next in preparation for our Science project. Our 4th grade cartographers have been using their map skills to create their own unique map of the ten New Hampshire counties. In Math we have started to work on word problems with elapsed time and how to compare our analog clocks to 24 hour clocks.

We have started a new theme in Reading which has many folktales. The students enjoyed reading IN THE DAYS OF KING ADOBE and were intrigued by the clever yet rascally characters who were taught a valuable lesson.

To celebrate Valentine's Day, we are making Valentine boxes next week.

MASS & FAMILY BREAKFAST

Thankfully the weather cooperated and we were able to attend Mass and hold our annual Family Breakfast on February 1st. We had approximately 250 people in attendance. It was a huge success and was made possible by our amazing lunch staff, Joyce Saindon and Sr. Therese, and by our principal, Betty Beebe, teachers and volunteers. Also, thank you to Fr. Richard who always makes our families feel welcome to our parish and school community.

Alan Tremblay, pastor of St. Catherine of Siena, Lisbon and St. Joseph, Woodsville, NH. The cost of the pilgrimage is \$2395, double occupancy.
