### ONLINE GIVING JUST TRY IT!

Did you know you can make your weekly contribution through Online Giving? This is a program that allows you to easily transfer funds from your account to ours. No one (including parish staff) can see any of your information, making this a safe and simple alternative to using an envelope for every collection. If you like, you can even just try out the system without creating an account! All you have to do is select the "Quick Give" option which is right underneath the "Existing User Login" section. The website will then take you to a page that describes the Quick Give process. From there, click "Continue Quick Give" and make your one-time donation.

You can find the Online Giving link on our parish website: [stanthonyofpaduanh.org](http://stanthonyofpaduanh.org).

### **ST. ANTHONY OF PADUA DEVOTION**

For those who have a special affection for St. Anthony of Padua, known to be a great miracle worker, the devotions are a unique way for special intentions, every Tuesday, immediately following the 8AM Mass, to venerate his relic and ask for his intercession. In 1937, Fr. Paul Desaulniers, fourth pastor of St. Anthony Parish, included the Thirteen Tuesdays of St. Anthony in his revamped parish timetable. This devotion, then scheduled for every Tuesday at 7PM included prayers, a teaching, Benediction and veneration of the relic of St. Anthony. It would appear that the ritual, in some form, has continued for all these years although there is no longer reference to "thirteen".

### **Prayer for Pentecost**

**May the Comforter, Who proceeds from You, enlighten our minds, we beseech you, O Lord, and guide us, as Your Son has promised, into all truth. We ask this through Christ, our Lord, Amen.**

### **NORTHEAST CATHOLIC COLLEGE**

Once again, NCC in Warner, NH is pleased to announce the dates for its Summer Program for high school students. The Collegiate Summer Program offers participants the opportunity to study theology, philosophy, literature and political science. During the summer program, students also attend daily Mass and enjoy sports, socials and day trips including hiking and canoeing. The program is for students who will be entering their sophomore, junior or senior year of high school in the fall of 2017. It is also open to students who have just graduated high school. The Collegiate Summer Program is a two-week session that runs from Sunday, July 23– Saturday, August 5, 2017.

### **INTENSIVE INTRODUCTION TO ATTIC GREEK COURSE AT NORTHEAST CATHOLIC COLLEGE**

The importance of learning Greek cannot be overstated. Western literature, drama, philosophy, political systems, all begin in Classical Athens and can be best understood when read in the original. Additionally, learning Attic Greek gives students access to literature not only of the specific era, but back to the works of Homer and forward through Patristic literature to the Byzantines.

This course offers students an intensive survey of Attic Greek grammar and vocabulary over three weeks, covering approximately two semesters worth of material. Additionally, students will begin translating short passages of Greek text.

The course is designed to be an introduction for students interested in the Classics who would like to move more quickly to begin translation courses, or as a resource for teachers of Classical languages such as Latin who would like to begin teaching Greek as well.

This three-week course runs from Monday, July 24 through Friday, August 11, 2017. The cost is \$450 for commute students and \$750 for residential students (room and board included). To view the course syllabus and register for either of these programs go to [www.NortheastCatholic.edu](http://www.NortheastCatholic.edu). For more information, contact the admissions office at [admissions@northeastcatholic.edu](mailto:admissions@northeastcatholic.edu) or 603-456-2656.

### Peeking Into Art

In Art, the 6<sup>th</sup> graders have finished their year long, interactive mural project of the schoolyard with the entire student population represented. They are also designing CD covers for their 1<sup>st</sup> recordings as music stars.

The 4<sup>th</sup> and 5<sup>th</sup> graders are recreating giant comic strip murals based on the art of Roy Lichtenstein.

The 3<sup>rd</sup> grade is working on black paper, exploring the anatomy of the face and the solar system.

It's been a great year!
