WHY SHOULD I REGISTER

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass? Why should we bother to use the envelopes or give online?

Registration is the official way we join a parish community. Many people think that, because they attend a particular parish, they are members automatically. Young adults who have moved away for years believe that they are still signed up under their parent's registration. Parish registration requires signing up formally as a family. ***It is a commitment to a community, a way to be included in the religious, social and ministerial activities of the parish.*** Your registration affects you and the parish in several ways. Registration shows you belong. It is necessary for certain benefits, such as the sacramental programs of Baptism, First Communion and Confirmation. It helps to know the person whose weddings and funerals are being planned. Active and registered parishioners are verification for Catholic elementary and high school support. Certification for godparents and sponsor letters for the sacrament of Confirmation are processed more easily. Registering in your parish is a statement of commitment and confidence in the life and work of your parish. You can request a registration form for St. Anthony Parish by filling the form below.

We at St. Anthony Parish extend our hearts in a warm welcome to you, whether a long term resident or newly arrived in the Parish. We thank God that you are with us. If you have not registered, or would like to update registration information, please fill out this form. Kindly place in the collection basket or mail it to the Rectory Office.
