

Saint Anthony of Padua Parish

Paroisse Saint Antoine de Padoue

"It could be said that each mystery of the rosary, carefully meditated, sheds light on the mystery of man.

'Cast your burden on the Lord and he will sustain you' (Ps 55:23). To pray the rosary is to hand over our burdens to the merciful hearts of Christ and his Mother. The rosary does indeed 'mark the rhythm of human life,' bringing it into harmony with the 'rhythm' of God's own life, in the joyful communion of the Holy Trinity, our life's destiny and deepest longing. Through the rosary, the faithful receive abundant grace, as though from the very hands of the Mother of the Redeemer."

School News 2017-2018

PEEKING INTO GRADE 2

Second grade is off to a great start! In science we started by discussing the scientific method and practicing using different science tools. Now, we have started our unit on living and nonliving things. We have planted beans in plastic bags to see how the roots form before we move them to soil.

In math, we are learning the math facts that are necessary for success in our math program. Each week, the students add a new set of facts to their fact bags for practice.

In Social Studies, we are taking a close look at our communities and the communities around us. We have discussed the difference between urban, suburban and rural communities and we are focusing on community workers and how they help us every day.

Our first story in our reading program was The Hungry Caterpillar by Eric Carle. The children were able to experiment with watercolors and the techniques that Eric Carle uses to make their own beautiful pictures!

We have been discussing the Sacrament of Baptism in Religion. We have learned the different symbols that are present in Baptism and we were able to look at some pictures from each of their own Baptisms to see the different symbols.

It is such a delight to work with this group of eager learners. I look forward to an exciting school year!

Miss Vilandre
