School News 2018

Peeking into Grade 1...

The First Graders were anxiously awaiting Easter. They learned about Jesus' journey into Jerusalem on Palm Sunday. (The children were really excited to receive some palms of their own!) They understand that Jesus died for our sins and that if we believe we will enjoy heaven with Him. They understand that Easter is about so much more than the bunny. The children continue to grow as readers and writers. Their fluency and expression while reading makes me so proud! Center time is always a favorite, where they hone their literacy skills while having fun. I am so proud of the progress they have made this year! In math the children can now add and subtract three digit numbers. They understand place value and the importance of practicing their facts. They are also now able to correctly add groups of tens and ones. They really enjoy participating in math centers that reinforce previously acquired skills. The First Graders have been working tirelessly on their projects for the Science Fair. We can't wait for you to visit our classroom on April 13th! You will feel like you've just jumped into the ocean! The children have learned so much and they are waiting to share their creations with YOU!
